

## Bill Hobbs

President, Power  
Williams

### Professional Experience

Bill Hobbs serves as President of Power. Before his current role, Hobbs worked as senior vice president of Williams Energy Services and senior vice president of Williams Energy Marketing & Trading. Hobbs joined Williams in 1989 as senior marketing representative to expand the company's gas marketing efforts nationally.

From 1997-98, Hobbs served Williams as a vice president over several areas including power and gas; natural gas liquids; and crude and refined products. He served as director over several areas from 1993-97 including natural gas liquids and natural gas services; as well as marketing, supply and transportation. Hobbs acted as manager, mid-continent region from 1992-93.

Prior to joining Williams, he worked for Union Pacific Resources in financial analyst and marketing positions from 1985-89.

### Education

Hobbs earned his bachelor's in finance and business from Oklahoma State University in 1985. He attended the Karras Negotiating School programs in 1987 and 1988.

### Industry/Community Leadership

Hobbs serves as vice chairman on the Electric Power Supply Association Executive Committee. He was inducted into the Oklahoma State University College of Business Hall of Fame in November 2001 and serves on the Oklahoma State University Foundation Board. Hobbs also serves on the Tulsa Cystic Fibrosis Board.

Hobbs helped pioneer Williams' diversity programs, including developing partnerships with area universities to attract career candidates with diverse backgrounds.

### Speaking Experience

A seasoned speaker, Hobbs has been giving presentations at national organizations for 15 years on topics pertaining to all forms of energy and related infrastructure, as well as risk management and regulatory issues. He has been the keynote speaker at venues such as the Ziff Energy Conference, the Energy Summit, and the American Boiler Manufacturer's Association. In addition, he testified before the Federal Energy Regulatory Commission in November 2000 regarding the impact of price controls.
