

Steven J. Malcolm

*Chairman, President and Chief Executive Officer
Williams*

Professional Experience

Steven J. Malcolm was named chairman of Williams in May 2002, CEO in January 2002 and president and chief operating officer of Williams in September 2001. In 1998, he was named president and CEO of Williams Energy Services. Malcolm was named senior vice president and general manager of Midstream Gas & Liquids for Williams Energy Services in 1996.

He served as senior vice president and general manager of Gathering & Processing for Williams Field Services from 1994-96. Prior to that, Malcolm was senior vice president and general manager of the Mid-Continent region, Williams Field Services. He served as vice president of Gas Management and Supply from 1989-1993 and director of gas management from 1986-89 for Williams Natural Gas Company. Malcolm joined Williams in 1984 as director of business development, Williams Natural Gas Company. Prior to joining Williams, he worked for Cities Service Gas Company in refining, marketing and transportation services.

Education

Malcolm graduated from the University of Missouri-Rolla in 1970 with a bachelor's in civil engineering. He also has attended advanced management training courses at Northwestern University.

Industry/Community Leadership

Malcolm serves on the boards of the YMCA of Greater Tulsa, St. John Medical Center, University of Tulsa Board of Trustees, Tulsa Metro Chamber of Commerce, Oklahoma Commission for Community and Justice, Tulsa Educare and is a trustee for Missouri University of Science and Technology. He also serves on the University of Tulsa Building & Grounds and Athletic Committees, the board of the Oklahoma Business and Education Coalition and is a former board member of the Gas Processors Association, the Tulsa Community Foundation and the Tulsa Area United Way.

Malcolm is also a member of the American Petroleum Institute (Policy Committee), The Business Roundtable, the National Association of Corporate Directors, the Oklahoma Business Roundtable, the National Petroleum Council, the American Exploration & Production Council, the 25 Year Club of the Petroleum Industry and the American Natural Gas Alliance.

Speaking Experience

Malcolm has spoken at numerous analyst conferences, industry, corporate and philanthropic events.
