Re: Neo Power Generation Facility, Case No. 26-0627-EL-BGN

Dear Mr. Williams and Ms. Troupe:

This letter serves as the Pre-Application Notification Letter to the Ohio Power Siting Board for Will-Power OH, LLC's ("Applicant") application for a certificate of public convenience and necessity ("Application") for the Neo Power Generation Facility ("Project"). Applicant intends to file the Application in June 2026.

Project Contact: Chris Hortert, Environmental Specialist, (412) 452-1893.

Project Description: Applicant intends to construct the Project in Jersey Township, Licking County, Ohio. The Project is a behind-the-meter power generation facility, which will consist of a 500 MW state-of-the-art simple-cycle natural gas-fired electric generation facility and a 260 MW battery energy storage system.

Anticipated Project Schedule: Construction of the Project is anticipated to begin in the first quarter of 2027 and go into commercial operation in the second quarter of 2028.

Public Information Meeting: The Applicant will hold two Public Information Meetings on **June 10th and June 17th, from 6:00 p.m. – 8:00 p.m.**, at the Brick House Blue New Albany - Water's Edge, 7775 Walton Parkway Suite 100, New Albany, OH 43054. The meeting format will be similar to an open house. Maps of the project area will be available to review and Applicant representatives will be available to answer questions. Notice of the first public information meeting

is posted on the Project website.

Anticipated Motions for Waiver: Based on the information currently available, Applicant anticipates requesting a waiver with regard to OAC 4906-4-08 to reduce some of the mapping areas from ten (10) miles to five (5) miles. Applicant reserves the right to request additional waivers, if necessary.

Website: Applicant has posted the information contained in this letter to a website at www.will-power.com.

Sincerely,

Kara Herrnstein
